RE: Ongoing Contact — Request to Review Communication

Dear Sir or Madam,

I am writing to raise concerns regarding the volume of contact I have been receiving from your organisation over recent weeks. While I understand there may be outstanding matters to resolve, the frequency of calls has become disruptive.

I would appreciate it if your team could review the current communication schedule and consider whether all contact is strictly necessary at this time. I am not in a position to engage with every call, and I would welcome a more structured approach.

I am open to resolving any outstanding issues through written correspondence for the time being, as this is more manageable for me given current personal circumstances. I hope we can reach a mutually acceptable arrangement.

Please confirm receipt of this letter and advise on next steps.

Yours sincerely,

Kevin Sharma
